CARLIT

REFERENCES: HQSA-8192, HQSA-3126

1. The CARLIT project is approved for the period 1 January through 30 June 1950 and the necessary funds have been allocated to cover your estimated cost of \$500 Westmark and \$180.
2. Several operational questions have come to mind concerning the CARLIT aspects of the CARLIT operation. We were puzzled for instance by the statement to CARLIT (of HQSA-12118) that Subject "was previously employed by us." and we were interested in the background information which was forwarded them under cover of HQSA-15451. In order to straighten us out on just what the procedure is with CARLIT in such cases will you, when you get the opportunity, let us know exactly what sort of information we furnish to them on individuals like CARLIT, and what use they then make of this information.
3. Available personnel on CARLIT are both meager and old. May we have a new PM on him as soon as possible?
4. We must emphasize again the importance of full and frequent progress reports even on such individuals as CARLIT so that we may at all times have a clear and up-to-date picture of our relations with him.
